Wholesale Fuel

THE MANSFIELD ADVANTAGE

Mansfield offers a range of low-cost purchasing and storage strategies.

These add up to over 3 billion gallons of scale in hundreds of markets across the US.

COMPREHENSIVE NETWORK

We ship on all major pipelines, including Explorer, Colonial, Plantation, and Buckeye, and have inventory positions at various third-party terminals.

BROAD PORTFOLIO, FLEXIBLE PURCHASE

Mansfield is your single source of reliable fuel supply at competitive prices.

We offer a full range of wholesale products that comprise gasoline, diesel, off-road diesel, and bio blends.

You will also have access to our flexible purchasing options, including index contracts such as OPIS, Platts, and Argus, as well as daily spot pricing, day deals, and fixed price contracts.

BECOME A BETTER BUYER

Knowledge is power. Mansfield's industry experts arm you with tools and market insights to improve your fuel-buying strategies.

When you partner with Mansfield, we're committed to growing with you. From sharing insights to joint marketing efforts, we'll align to help you grow.

RELIABLE SUPPLY

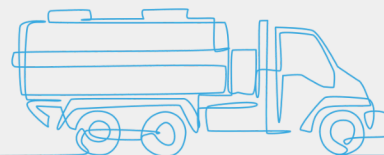

Our reliable, nationwide supply network is backed by long-standing relationships with all major and independent refiners.

Maintaining diverse supply sources and contracts ensures reliability and performance during volatile periods due to refining upsets or natural disasters.

CUSTOMER FOCUS

As a family-owned business, we're committed to your success. Want to grow your sales? Ask about becoming a delivery partner with Mansfield.

We offer custom reports, tailored invoicing, and supply audits to help you benchmark performance, analyze markets, and develop better buying strategies.
